

MATERIALS LECTURE COMPETITION 2016

UPM LEVEL

Introduction

Materials Lecture Competition is a National event mainly organized by IMM and IOM3. This national-wide competition is an initiative intended to enhance awareness among young Material Scientists and Engineers in Malaysia on the importance of Materials Engineering and sustainability in the advancement of technology and humankind.

Rules and Eligibility

The Materials Lecture Competition (MLC2016) is open to all students under the age of 28 from Universiti Putra Malaysia (except academic staff) who must deliver a 15-minute presentation on a topic related to Materials or Minerals Science and Engineering. The topic may be on the student's current research work or project from the following areas of interest (but not limited to) Materials Development, Characterization, Processing and Applications, Minerals and Geologically related disciplines.

Submission Procedure for Competition at UPM Level

To take part in the MLC2016 competition, please send an e-mail with your name, a copy of IC (Malaysian Student) or Passport (International Student), phone number and e-mail details as well as an abstract of a maximum of 150 words, to UPM MLC Secretariat below:

Eli Rashidah Ashari
Email: mlc2016upm@gmail.com
