# EVOLVED GAS ANALYSIS: HOW DOES IT HELP?

Workshop on  
Thermogravimetric-Infrared  
**TG-IR**

Workshop Fee  
**RM150**

**25 Sept 2018**

8.00 a.m - 5.00 p.m

*Seminar Room  
INTROP, UPM*

PROMOTION!  
Student Price  
**RM100**

## Workshop Outlines

- Introduction on FTIR technique
- Introduction on TGA and FTIR
- Hyphenation of TG-IR
- Analysis of TG-IR spectrum
- Operational guidelines for TG-IR**

## WHY YOU SHOULD ATTEND?

- Analysis of decomposition process
- Analysis of additives
- Detection of residues
- Analysis of outgoing gas
- ...and many more...
